Optional financial support

FenKid in Marsberg · Annika Stute

To help make participation in the FenKid course accessible to as many families as possible, financial support can be requested through the Ev. Familienzentrum Jona. The request is voluntary and treated confidentially.

I would like to request financial support for this FenKid course through the Ev. Familienzentrum Jona. I consent to Annika Stute forwarding my first and last name, telephone number, e-mail address, course title, course start date, course period and course fee to Nicole Wagner-Greiner at the family centre. This consent is voluntary and can be withdrawn at any time with effect for the future.

Only the following data will be forwarded: name, telephone number, e-mail address and information about the booked course and course fee. Information about the child's characteristics, health or development and other free-text messages will not be forwarded.

For this PDF registration form, forwarding is not automatic: if you tick the box and send the form to me by e-mail, I will forward only the data listed above to the family centre after receiving it.

The request is not yet a guarantee that the costs will be covered. The family centre will clarify with you whether and to what extent support is possible.
